Deur Dr. Weed:

Your letter of 22 January 1948 and its enclosure have been received and their contents noted with interest.

The Central Intelligence Agency, however, has no jurisdiction in the field of domestic activities, and I have, therefore, taken the liberty of forwarding your letter and its enclosure to the Secretary of Defense, as a matter of interest to the Armed Services.

The courtesy extended in offering the services of Dr. Abel Wolman, and your interest in matters of national security are indeed appreciated.

Sincerely,
